

Our History

It all started in 1995 when a 3-year old, named Max, asked his father if he could take a camping trip for his birthday, with “no girls allowed.” Four other men and boys went with Max and his father camping. Since that first camping adventure, the numbers for the original “Father and Son Camp” have grown to more than 600 fathers and sons gathering each year in central Illinois for a time of growth and instruction.

Inspired by the stories of the fathers and sons and the vision of the original “Father and Son Camp,” a new camp, “Father and Son Camp East” was birthed in 2012 with the vision of bringing a similar experience to fathers and sons on the East coast.

Are you looking for an adventure with your daughter(s)? We offer the same experience for our Father and Daughter Camp East the last Thursday through Sunday in July check out fatherdaughtercampeast.org.

Our Location

The Father and Son Camp East is located in Southwest Pennsylvania, on the beautiful, rolling Strath an Dé Farm.

Take I-79 to the Exit 14. Make a right onto Rt. 21 West. Follow Rt. 21 through Waynesburg to the town of Eastview. Make a left at Oak Forest sign.

Continue about 3 miles to Stewart Run Road (second left past the red barn). After about a 1/2 mile, there will be a small brown house on your left. When you see the house, you will know you have arrived! (Signs will then direct you.)

How does a boy grow into a man?

In a world ripe with confusion and conflicting messages, the pathway to manhood is anything but easy to navigate.

The **Father & Son Camp East** is an opportunity for dads to enjoy time with their sons in the rugged outdoors, making memories that will last a lifetime — building a Godly legacy of biblical masculinity.

What do we do for 4 days?

A lot! We begin and end each day with a special message for fathers and sons from the heart of Norm Wakefield. Then, there are activities such as hiking, frisbee golf, and archery, not to mention zip lines, clay pigeon shooting, a rifle range and knife throwing! We're also excited about a hands-on "football event." (More details online.)

A team of cadets from the International ALERT Academy, headquartered in Texas, travels to the Father and Son Camp East to teach repelling and provide a challenging obstacle course.

Here's a quick overview of what you need to know about the camp. Other details may be found by visiting us online at www.fathersoncampeast.org

Four-day camp. Campers begin arriving Thursday afternoon. Camp ends Sunday at noon, just after worship. (Lunch on your own!)

Age of Sons. If Dad feels like he can keep up with and take care of his son, regardless of age, then we say, "bring 'em." While most campers are usually 5 years and above, some brave Dads have brought 3-year-olds!

Camping. A camping spot, complete with firewood, is provided. Dads bring their own tent and camping gear. Bathroom & shower facilities are available.

Food. While 3 evening meals are provided, Dad is responsible for preparing breakfast, lunch and snacks for himself and his son/s. Each campsite has a fire ring for cooking and a picnic table will be in close proximity.

Cost. There are no set costs for the camp. Instead, it is by "donation only." While there are

expenses for hosting a camp such as this, we never want cost to keep a father from bringing his son/s. (For those who are able to donate, costs are estimated to be \$50-\$60 /person for the weekend, plus \$35 per campsite).

Registration. It's very important to pre-register. Visit us online for registration at www.fathersoncampeast.org. (Pre-registration is strongly encouraged as space is limited. Campsites are assigned "first come-first served." While we will do our best to grant your requested site, preference will be given to special needs).
